

**JCD2445T2455M80**

## Electrical Specification

| Part Number             | JCD2445T2455M80                   |
|-------------------------|-----------------------------------|
| Frequency (MHz)         | 2.445~2.455                       |
| Insertion Loss(dB)MAX   | 0.15                              |
| Isolation(dB)MIN        | 22                                |
| Return Loss(dB)MIN      | 22                                |
| Operating Temperature   | -40°C~+85°C                       |
| Power FWD/REV/PK(Watt)  | -/-/800                           |
| Tab(W×LG×THK)(mm[Inch]) | 1.8[0.070]x3.00[0.118]x0.4[0.016] |

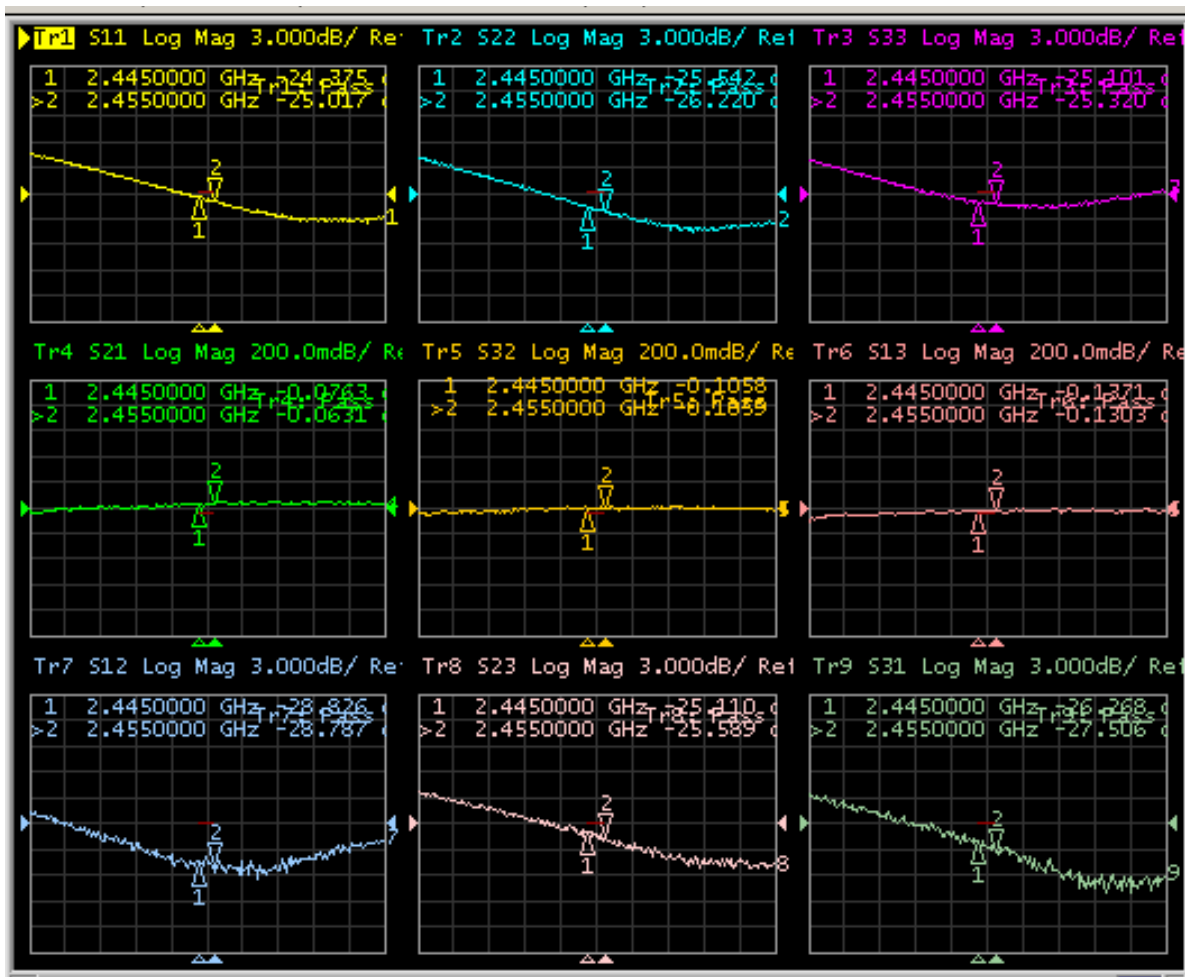

## Outline

# S Band Drop-In Circulator

JCD2445T2455M80

## Test Data

## Applications

- Telecom
