

***JIWR75-44F-13K75T14K5C-EM***

## Electrical Specification

| Part Number            | J1WR75-44F-13K75T14K5C-EM |
|------------------------|---------------------------|
| Frequency (GHz)        | 13.75~14.50               |
| Insertion Loss(dB)MAX  | 0.3                       |
| Isolation(dB)MIN       | 18.0                      |
| Return Loss(dB)MIN     | 18.0                      |
| Operating Temperature  | -40°C~85°C                |
| Power FWD/REV/PK(Watt) | 1/0.5/-                   |

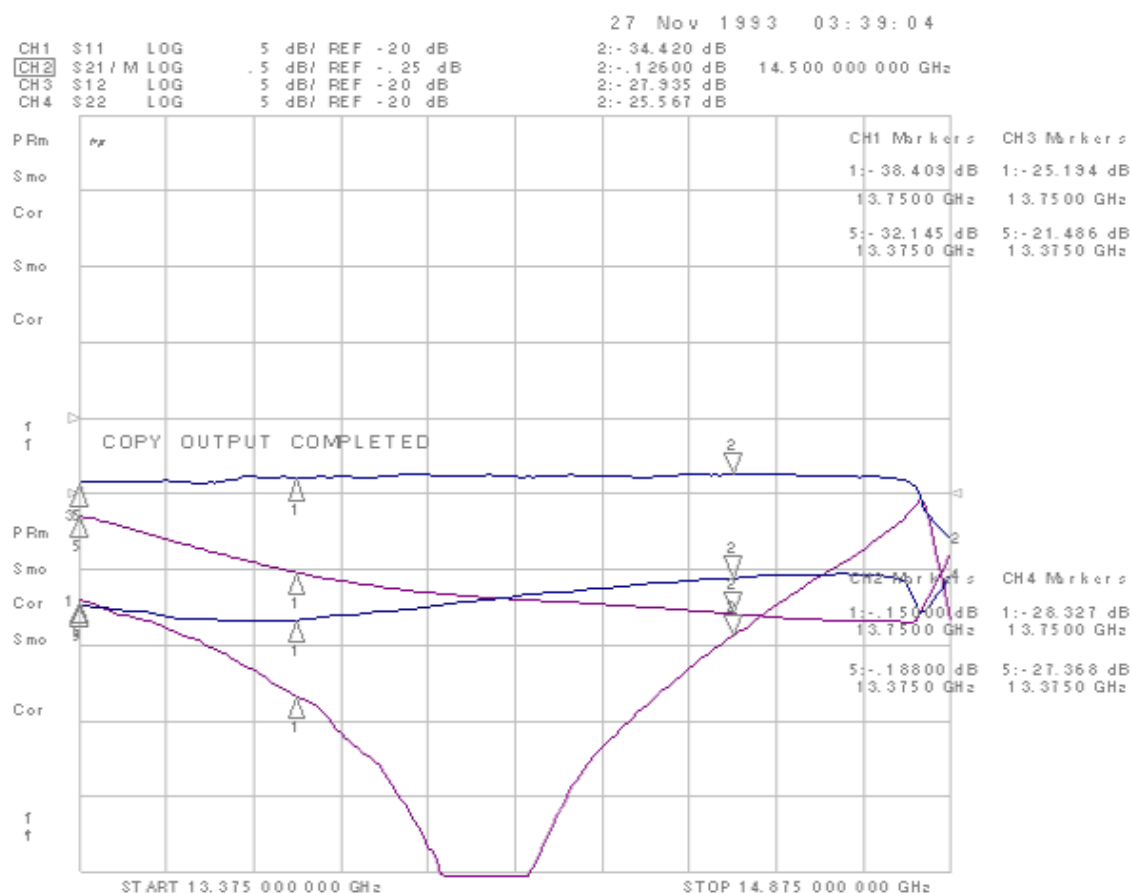

## Outline

# Ku Band Waveguide Isolator

## JIWR75-44F-13K75T14K5C-EM

### Test Data

### Applications
